The time, 1.15 2-5, was fast for the track, which, while it had been packed down, was still dead in places.

QUEEN ROSE TIRED.

Of the poor lot of 2-year-olds that came together in the opening event, a condition race at seven furlongs, Fruit, with Crimmins up and at 14 to 5, and Queen Rose, with Wonderly in the saddle and at 7 to 2, were figured to be best. Crimmins, who rode, got him away well and led a close bunch from start to finish, Insting long enough to beat Milady Love a length in a hard drive, while Sadducece, who came with a rush, was third, a head back. St. Daniel, who was played by his party, ran a good race. He had early speed and was close up with the leaders all the way, but tired at the end, finishing, however, a close fourth. Little Jack Horner was cut down in his off hind leg and received an injury that will put him out of commission for a short time at least.
